Easy Aquatak 100 High-pressure Washer

Part Number: 0.600.8A7.EF0

Handy, 360°, All-Round Out Door Cleaning

The Easy Aquatak 100 is a lightweight, compact pressure washer with a 1100-Watt Bosch motor, high-efficiency pump, and 360° gun for hard-to-reach areas.

MRP
₹13,599

Lifestyle Car Washer

Great cleaning and self-priming

The Easy Aquatak 100 High-pressure Washer offers versatile cleaning power for occasional tasks and draws water from containers or open sources like lakes and ponds.

Saves space and time

The lightweight Easy Aquatak 100 offers stability with a low center of gravity and convenient gun storage for ease of use, which saves time, energy and water.

Technical Details

 Motor power 1,100W	 Maximum pressure 100bar	 Maximum flow rate 270l/h	 Hose length 3m	 Self priming capability 0.5m	 Motor type Universal	 Pump type 3 cylinder
 Pump material Plastic	 Cable length 5m	 Weight of machine 3.1kg	 Detergent system High pressure foam	 Maximum flow temperature 40°C	 Hose type PVC	

Get Cleaning With The Bosch Easy Aquatak 100 High-pressure Washer

Remove light dirt from small cars

Regular cleaning keeps vehicles well-maintained. The Easy Aquatak 100, with its 360° rotating gun, reaches every corner, while its compact, lightweight design makes it easy for anyone to use.

Removing dirt from air conditioner

Manual AC cleaning is tiring and time-consuming. The Easy Aquatak 100 offers a quick, one-handed solution.

How Is It Environment Friendly?

Washing cars and domestic cleaning tasks consume plenty of water every time. A solution to avoid wasting water is important for the environment.

Easy Aquatak 100 High-pressure Washer is designed well so that it consumes half a bucket of water when compared to manual cleaning.

Integrated auto-stop system, enhances energy efficiency.

What is in the Kit?

Bosch 360° High-pressure Gun:

The Bosch high-pressure gun controls water flow and mode via the trigger.

Water Filter:

The water filter aids maintenance and protects the pump.

3m High-pressure Hose:

This hose connects the washer and lance, delivering water when triggered.

High-pressure Foam Nozzle (New):

The 450ml foam bottle attaches to the lance for deeper cleaning.

Easy Aquatak 110 High-pressure Washer

Part Number: 0.600.8A7.FF0

MRP
₹14,899

Versatile Cleaning Equipment

The Easy Aquatak 110, with a 1300W Bosch motor, makes cleaning hatchbacks, two-wheelers, furniture and many more quick and effortless.

Lifestyle Car Washer

Great cleaning with self-priming

The Easy Aquatak 110 delivers versatile dirt removal with extra performance for occasional cleaning and can draw water from containers or open sources like lakes or ponds when running water isn't available.

Portable, compact, and time-saving

The Easy Aquatak 110 saves time, energy, and water compared to manual cleaning, while its lightweight, stable design and convenient gun storage enhance usability.

WARRANTY

Bosch gives you a warranty on privately used tools. For details, please refer to the information included in the product you purchased, and the Terms and Conditions document below.

In the event of a repair under warranty, please make sure to present a copy of the proof of purchase and, if necessary, the warranty certificate.

Repair in the warranty time

Please always present the complete product (including all batteries and charger for cordless tools) to your power tool or service dealer.

The Bosch warranty covers manufacturing and material faults only and does not apply to misused, damaged or tampered with tools.

Power Tools from Bosch are guaranteed against material and manufacturing defects for a period of six months starting from the date of purchase as recorded in the invoice of purchase document.

In the event of failure of tools due to material & manufacturing defects, we undertake to repair the tools (with repairable parts) free of charge, provided we are satisfied that:

- ▶ The power tool has not been tampered with.
 - ▶ Failure has occurred due to manufacturing/material defect.
 - ▶ The power tool has been purchased from an accredited dealer/retailer/online portal.
 - ▶ The claim has been referred to one of the Bosch Authorized Service Centers along with the power tool, warranty card and original tool purchase valid invoice with GST number.
 - ▶ The customer shall carry the tools to the nearest Authorized Service Center at his/her own cost and risk.
 - ▶ The Bosch Tool shall be used strictly for intended purpose in accordance with the user manual.
-

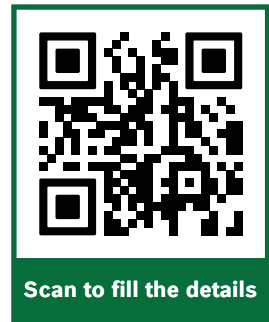

This warranty does not cover

- ▶ All normal wear and tear parts like carbon brush, bearings, O-rings, Oil seals, mechanical parts, trigger, pump unit, plastic parts, heating element & accessories etc.
- ▶ Installation to wrong voltage, overload, wrong accessories and wrong application.
- ▶ Use other than in accordance to handling instructions.
- ▶ Unauthorized repair carried out.
- ▶ Damage due to any unit caused by accident, misuse, willful damage, and normal wear, claims arising from loss, fire or other calamities caused by nature or in any way being tampered with.
- ▶ DIY (Do It Yourself) tool used for professional & semi-professional application.
- ▶ Intermittent duty tool used for production purpose.
- ▶ Use of spurious spares and look alike & non-genuine spares.
- ▶ Failure to comply with any safety precaution or maintenance tip suggested in user manual.
- ▶ Original serial number is deleted/defected/defaced or altered or tamperproof seal is damaged.
- ▶ Calibration of tools is not covered under warranty.
